Human Robot aka Jeff Space > In 1999, introduced by promoter Oscar Bueno to the On Speed magazine, was nominated as "new DJ" in a section dedicated to new talents of electronic music in São Paulo. Since then, Jeff was invited to play at several clubs such as Glitter Bar, Egotrip, Lillith Club, Dj Club , Lov.e Club & Lounge (Technova e Lov.e For Friends), Zoo Digital Cafe, Stereo Club (Noite Get), On Speed Cyber Café, Torre do Dr Zero, MIS (launching of short movie "Condessa" by Le Infant Terrible, Club Zoster, to name a few.

The artist has played beside DJs such as Mau Mau, Renato Cohen, Paula, Luis Pareto, Victor A., Mr Gil, Bruno Correa, Tech Jun, Nisek and Max Underson. In 2002 was resident at SupperClub at the "SupperClubHouse" night with Pedro Jhorce, having guests such as Daniel UM , Renato Lopes, Thiel and DJ Hubert. Recently played at Underground Movement 2005 with DJ Thiel, an important 5-day electronic music festival inBrasil (Brasília), sharing decks with top DJs such as Maze One, LuiJ, Collares, Hopper, Komka, Oblongui, Ricco, Daniel D (BH) and Iceberg (Recife). Human Robot is currently the resident of the Dali Fun Time project which happens every Thursday at Salvador Dali Bar in São Caetano do Sul.

In his sets, Jeff ranges from the classical to the modern, bringing to the surface tunes that were part of generations of young people into electronic music and blending them to the best new trends of house, techno, electro, minimal and deep music, breaking down pigeonholes and creating intelligent grooves,

which characterize his strong and innovative music, admired and respected by tastemakers and DJs Who follow his work since the very beginning.

One of his acts, "Future Visions" with DJ Thiel, has releases on labels such as B.E.E. (Brazilian Electronic Music), a division of clubwear Slam, encouraging Brazilian electronic music and supported by Atração Fonográfica (www.atracao.com.br). Some of their tracks can be heard on: www.fiberonline.com.br/artista.php?id=1241.

Jeff has introduced his tracks and mixes where he goes, and his musical talent shows that he's one of the biggest promises of Brazilian electronic music. An invitation for those who like intelligent electronic music, because music is an art.
